

SOUND ENGINEER – THANK YOU FOR HELPING US TONIGHT.

WE ARE A POWER TRIO WITH A VOCAL FOCUS. WE APPRECIATE A CLEAN MIX OF INSTRUMENTS WITH VOCALS OUT FRONT. OVERALL VOLUME SHOULD BE TOLERABLE, ENJOYABLE AND APPROPRIATE TO THE CROWD. WARM REVERB/DELAY ON ALL VOCALS. IF YOU NEED ANYTHING FROM US, PLEASE LET US KNOW.

THANK YOU – SUTTON, PAUL & DANNY
NEIGHBORS TO THE NORTH
